Dear Ms. Curtis:

Enclosed for your review are one paper copy and two compact discs (CDs) of the Draft Supplemental Environmental Impact Statement (SEIS) for the Juneau Access Improvements project. The document was approved by the Federal Highway Administration (FHWA) on August 21, 2014, and is being distributed to agencies and the public at this time. The Notice of Availability is anticipated to be published in the Federal Register on September 26, 2014. As noted during scoping, the FHWA intends to issue the Final Supplemental Environmental Impact Statement concurrently with the Record of Decision.

Please let me know if you would like additional copies of the document, and note that the Draft SEIS (including appendices) is also available on the project website:

[www.juneauaccess.alaska.gov](http://www.juneauaccess.alaska.gov).

Please submit your comments by **November 10, 2014**, the end of the comment period identified in the Federal Register Notice. If you have any questions, you may call me at (907) 586-7430 or email me at [tim.haugh@dot.gov](mailto:tim.haugh@dot.gov).

Sincerely,

Tim A. Haugh  
Environmental Program Manager
